Many of the recommendations that we're looking at for swine flu prevention are standard hygiene practices. In order to remind students and staff about these, you may want to access some of the free health related posters that are available online.

For direct links to the posters, please see the "H" page of our A - Z Index under the heading "Health Related Posters" at:

<http://schoolhealthservices.org/a-zindex.cfm?subpage=15>

Examples of available posters include:

Your Health is in Your Hands (in various languages) - NYSDOH

Keep Your Germs to Yourself! - NYSDOH

Clean Hands Save Lives - CDC

Keep our School Healthy! - NYSDOH

Cover Your Cough (various languages) - CDC

Be a Germ Stopper - CDC

Don't Spread it Around (in various languages) - NYSDOH

Take 3 Against the Flu
